Sprint 21 (03/27/23 - 04/02/23)

1. Is there anything blocking you?

2. What did you do yesterday?

3. What are you going to do today?

Date	Joseph	Frank	Josh	Rhoy	Ghabe	David	Notes
@March 27, 2023	1. No 2. Process of refactoring 3. Continue to refactor	1. Yes, an email sent to the professor for clarification 2. Peer review draft 3. Make any adjustment if professor says, turn it in if today if responded			1. No 2. Finish JWT integration 3. Review reputation design		Untitled
@March 28, 2023	1. No 2. Redo login view again 3. Redo registration view	1. No 2. Nothing 3. AWS setup, ssl	1.Yesterday, was unavailable 2. Start Alert Database 3. Start Alert Manager		1. No 2. Review reputation design 3. Finish implementing complete pin functionality		Untitled

Date	Joseph	Frank	Josh	Rhoy	Ghabe	David	Notes
@March 29, 2023		1. No 2. Researched some more ssl logic for aws 3. Fix the error, get the domain working	1.No 2.Read through peer review/Alert Manager 3.AlertManager		1. No 2. implementing complete pin functionality 3. implementing complete pin functionality		Untitled
@March 30, 2023	1. No 2. Refactor admin/reg view 3. Refactor analytics	1. No 2. Nothing, I am feeling the weight of having no classes this week. 3. Fix aws issues	1.No 2.Alert Manager 3.Get working tests		1. No 2. implementing complete pin functionality 3. Push to main for code review		Untitled
@March 31, 2023	1. No 2. Continue Analytics refactor 3. Create abstraction for charting and continue to refactor analytics view	1. No 2. More research on SSL and EC2. Started some research on Service feature. 3. Continue ssl research and aws setup.			1. No 2. Push to main for code review 3. Nothing		Untitled
